Dear Sir

Re.: Tie up with Carrefour in Indonesia

Symphony has tied up with Carrefour in Indonesia for selling Symphony Air coolers through our local distributor. Carrefour, headquartered in France, is the world's 2nd largest retail group having one of the largest retail chains in Indonesia.

This tie-up will make Symphony coolers widely available in Indonesia which is one of the most populous countries in the world and an emerging market.

This is for general information of the investors and analysts.

Thanking you,

Yours faithfully,
For, **Symphony Limited**

Chandrakant Gandhi
Company Secretary
